Nissan/Datsun 300ZX Automatic Transmission - Best ...

Used 5 speed (manual) transmission for all 1990+ 300zx Z32 models. Z32 NA and TT transmissions are all the same internally. The only difference between the normally aspirated and twin turbo transmissions is the increased clearance for the TT ring gear inside the bellhousing and the machining on the outside of the bellhousing where the starter mounts.

Used Z32 300ZX 5 speed Manual Transmission, Performance ...

The transmission itself is a very strong and robust design but you must change the fluid and screen at regular intervals. I do my pathfinders tranny's fluid, which is almost the same as the Z's every 25,000 miles. I do the screen at 50,000 miles. If you do blow the tranny, you should replace the cooler because it gets full of crap."
