account for its poor grammar and awkward syntax. The subject matter of Revelation also accounts for the difference in style. John's other writings are instructional or historical, while Revela-tion is the record of an extraordinary vision—a vision that couldn't be expressed with the precise syntax of the Greek language.

See how to use the LEN function in Excel to count characters in cell. Use a simple Excel LEN formula to get the entire string length, or count number of characters in a cell without spaces (leading, trailing and in-between).

Excel LEN function: count characters in cell
On beginning this item (January 2014), none of the other terminals which I tested accepted the ISO 8613-6 syntax (there were some unverified reports). There are other syntax issues. In the changes for xterm patch #282 (and the earlier KDE changes), no one noticed or commented on this additional sentence from ISO 8613-6:
