BICSI PDF Practice Test - Certification Questions

Questions like this can sometimes come as a surprise in an interview, especially if you were getting ready to dazzle the interviewers with technical answers and not general ones like this. This is a great opportunity for you to spell out your career path so far and how your experiences in previous roles led you to where you are now.

Store - ISACA Portal

What's worst - and most frustrating - is that the explanations for questions that you answer wrongly are very unhelpful. Most of the time it's "answer A, C, and D are wrong because answer B is right." Without explaining why answers are wrong. One of the most important aspects here would be to know why the wrong answers are wrong.
