You know the mantra: "Don't judge a book by its cover." But that's easier to say than do. A book's cover is your not-so-secret weapon when it comes to sales and the reader's very first impression of a book. Or, as famed designer Paul Sahre once put it in an interview with Penguin Random House: "On a purely functional level, a jacket is there to protect the book, but I also like to ...
