material for both students and teachers ... Nolan's treatment of many topics, including suggestions for coping with humor, numerals, Latinisms and note-taking techniques, should all prove extremely valuable for both students and teachers of interpretation.

Interpretation Techniques and Exercises | jamespnolan

Interpretation cannot be learned from a book alone, but only through a combination of study and steady practice. However, it is hoped that the exercises in this book will help the student interpreter determine what techniques she or he needs to concentrate on. Although interpretation is an oral skill, it contains an element of composition.
