Contact solution started to be used by many people after several news articles circulated in 2015 and 2016 or thereabouts about how borax was causing rashes on kids' skin. This caused many parents to look for borax-free slime (our recipe is how to make slime with baking soda), and contact solution became a common ingredient to use.

In physics, the n-body problem is the problem of predicting the individual motions of a group of celestial objects interacting with each other gravitationally. Solving this problem has been motivated by the desire to understand the motions of the Sun, Moon, planets, and visible stars. In the 20th century, understanding the dynamics of globular cluster star systems became an important n-body ...
