Emotions at centrestage. This is Nair's fourth book and there is no doubt about one thing: she gets better with each one.

Lessons... is a reflective, coming-to-terms sort of novel, in which the main protagonists — a former society wife who can wield a mean skillet and a professor of cyclone studies — keep doing the Kierkegaard thing: looking back to the past to make sense of their lives.

Book review: Lessons in Forgetting by Anita Nair ...

Anita Nair offered a magnum opus to her readers through the brilliantly carved story of 'Lessons in Forgetting'. Language is simple, and Anita chooses to keep a moderate pace. Through tremendously dense plot and varied characterization, author elaborates the problems of domestic life and discusses the different phases in life of a woman.
