The labor to remove and replace a transmission ranges from \$500 to \$1200 for 4 to 10 hours of billed time. Differences between rebuilt vs remanufactured? Check out our complete guide. Rebuilds can cost just as much as a replacement depending on the extent of the damage.

Transmission Repair Cost Guide - Diagnose & Save

Financial economics is the branch of economics characterized by a "concentration on monetary activities", in which "money of one type or another is likely to appear on both sides of a trade". Its concern is thus the interrelation of financial variables, such as share prices, interest rates and exchange rates, as opposed to those concerning the real economy.
