O'Reilly has published a number of Open Books--books with various forms of open copyright--over the years. The reasons for opening copyright, as well as the specific license agreements under which they are opened, are as varied as our authors.

O'Reilly Open Books Project

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
