The Secret Epidemic The Story

The SARS epidemic was not simply a public health problem. Indeed, it caused the most severe socio-political crisis for the Chinese leadership since the 1989 Tiananmen crackdown. Outbreak of the disease fueled fears among economists that China's economy was headed for a serious downturn. A fatal period of hesitation regarding information-sharing and action spawned anxiety, panic, and rumor ...

Lab 257: The Disturbing Story of the Government's Secret Plum Island Germ Laboratory blows the lid off the stunning true nature and checkered history of Plum Island. It shows that the seemingly bucolic island on the edge of the largest population center in the United States is a ticking biological time bomb that none of us can safely ignore.
