Since this is a writing prompts post, I'm not going to go into detail about how to write a fight scene — even though I actually love writing them. I will say, though, that it's similar to writing a love scene in that you don't need to describe every single move in detail.

50 Fight Scene Writing Prompts and Ideas - Bryn Donovan

The very first rule for fight writing (and writing any scene in general) is to ensure that it moves the story forward. Say "no" to gratuitous fight scenes that only show off fancy moves or writing skills. Here's the easiest way to find out if your fight scene moves the story: Delete it. Now, read the scene before and the scene after.
